A Newsletter Celebrating Leadership Cumberland Alumni and Supporters

Celebrating 30 Years of Impact

On November 9th, we'll be celebrating Leadership Cumberland's founding members and the impact LC has made in Cumberland County over the last 30 years. During the celebration, Denver Tuckey, John Smith, and Karen Shugart will be honored for their role in founding our organization in 1989.

We'll celebrate with a champagne toast, short program honoring our founders and partners, a 30th Anniversary video by Starbright Media, and lots of networking between LC alumni, board members, and supporters.

Attendees will also be the first to hear about a BIG announcement Leadership Cumberland has about the future of its' program.

The event is presented by Harvest Seasonal Grill and Wine Bar and Roundtop Mountain Resort. Heavy hors d'oeuvres will be prepared along with seasonal specialties and desserts. Beverages include a champagne toast by Orrstown Bank, signature beverage from Hook & Flask, beer from Market Cross Pub, and wine.

The celebration will help raise funds for future programming through a wish board fundraiser and door prizes. Dress is cocktail attire.

Tickets are \$35 and can be purchased online at LeadershipCumberland.org. Only 250 tickets are available, so be sure to get yours today!

Grand Circle sponsorships are available for \$400 and include VIP seating for 8 and an advertisement in the event program.

We hope you can join us!

Your LC Scholarship Recipient

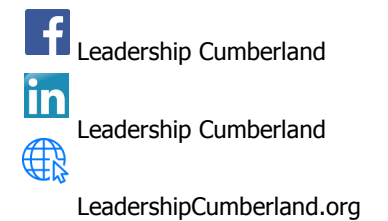

Due to your generous support, Matthew Wagner, of Maranatha, received our LC scholarship to be a part of this year's class. Matthew's testimonial is below:

"A leader's primary responsibility is to support the rest of the team and make sure they have what they need to succeed." That's what I was taught at an early age in Boy Scouts. That principle has led me to seeking out leadership opportunities in my professional and personal life, which is why when I heard about Leadership Cumberland I was excited for the opportunity to participate. I have looked at similar programs in the past, but they were cost-prohibitive on a nonprofit employee's salary, so I am incredibly grateful to Leadership Cumberland for providing me with the scholarship so I can participate. I fully intend to "pay it forward" by using the leadership skills I develop to support the amazing nonprofit organizations throughout Cumberland County to help make our community a better place to live and work."

Thank you again for your donations to our Leadership Impact Campaign. It is solely due to your generosity that we are able to provide this scholarship to such deserving recipients.

Meet the Fellows

In August, we welcomed our 30th class, the class of 2020! We're excited that we maxed out at 35 fellows for the second year in a row. We're even more excited about the year ahead. Below are a few fun facts about the class:

- Women make up 2/3 of this year's cohort
- 60% of the class is between the age of 30-45, 22% of is over 45, and 18% are 20-29.
- Their professions include the areas of education, healthcare, finance/banking, and nonprofits.

We started off the year with our overnight retreat at Roundtop Mountain Resort. Our fellows got to know and encourage each other as they pushed themselves outside their comfort zones. They learned their DISC profiles, networked with each other, and even got some public speaking tips from guest faculty, Mike Greene, of Integrity Works Coaching.

Special thanks to Lauren Yinger '19 of CAEDC & Cumberland Valley Visitors Bureau for photographing this year's class.
