

As part of our Fellows Class Program participants are asked to serve on a community nonprofit board of their choosing. **Each year 70-80% of Fellows remain on their chosen nonprofit board after the program is completed.** This opportunity is highly beneficial for both the Leadership Cumberland Fellows and the nonprofit involved.

Leadership Cumberland Board Internships provide a unique chance for emerging leaders to serve as a non-voting ex-officio member on a nonprofit Board of Directors/Trustees. The organizations that offer such partnerships and serve as “learning labs” for Leadership Cumberland Fellows are vitally important to the overall program and experience. The opportunity for Fellows to observe and integrate leadership and governance concepts is invaluable and truly appreciated by the Leadership Cumberland Board of Directors.
