Our 2025 Leadership Fellows Class participants will soon be selecting a community nonprofit board to sit on during the year. Will you be one of them? **Each year 70-80% of Fellows remain on their chosen nonprofit board after the program is completed.** This opportunity is highly beneficial for both the Leadership Cumberland Fellows and the nonprofit involved.

Leadership Cumberland Board Internships provide a unique chance for emerging leaders to serve as a non-voting ex-officio member on a nonprofit Board of Directors/Trustees. The organizations that offer such partnerships and serve as "learning labs" for Leadership Cumberland Fellows are vitally important to the overall program and experience. The opportunity for Fellows to observe and integrate leadership and governance concepts is invaluable and truly appreciated by the Leadership Cumberland Board of Directors.

CARLISLE SUMMERFAIR – BOARD OPPORTUNITIES
 Established in 1977, Carlisle Summerfair was the brain child of the late Wayne Powell, formerly of The Sentinel. With high gas prices, he wanted something for the families in the area to do over the Fourth of July. Our board of directors is made up entirely of volunteers from throughout the greater Carlisle area. Some represent businesses while others serve as community volunteers. Our goal is to offer free, family-friendly events around the 4th of July holiday for the Carlisle area. We want our region's families to be able to relax and enjoy activities close to home. With the generous support of many of our great business sponsors, we are able to put on over 35 events each year over about a week-long period of time that include things like baby races, a kid's carnival, mini-golf tournament, concerts, the Harrisburg Symphony concerts, open swimming pool nights, fishing derby, musical, and many other events. There truly is something for everyone. Reach out to Jennifer Love with any interest and for more information at lovej@dickinson.edu
