

## LC CLASS OF 2022 CELEBRATES GRADUATION!

On Wednesday, June 15th at Dickinson College, we celebrated the 32nd Class of Fellows graduating from Leadership Cumberland! During the celebration each fellow was highlighted for their achievements in completing the nine month program, we recognized two outgoing LC Board Members, Jon Martin '13 and Jason Maddux '15, heard from the 2022 Class Speaker, Maria Petrilak of YWCA of Carlisle, and this year's Community Engagement Project results were shared.

Special thank you to our graduation sponsor The Metz Wealth Management Group at Morgan Stanley and to AFH Media, LLC for taking the photos of the celebration!

Take a look at the Graduation Video below to see what song they chose as their class song and highlights from the year!

## LC FELLOWS SHARE COMMUNITY ENGAGEMENT PROJECT RESULTS

At our Graduation Celebration we were able to share the results of the Fellows' Community Engagement Projects that were completed throughout the year, and we're so excited to share those results with all of you as well! The following nonprofits were helped throughout the 2021-2022 class year:

Fellows helped create a plan for **New Hope Ministries** to launch the **Teen Job Readiness Program** in Eastern Cumberland County for school districts and employers for New Hope Ministries, a Christian Social Service Agency, servicing York, Adams, and Cumberland Counties.

Fellows were asked to help **YWCA Carlisle** re-energize their **Race Against Racism event** that hadn't been held since 2019. Their efforts included improving event awareness, finding a new location, and helping to increase the overall funds raised.

Fellows planned, created, and executed a spring event for girls in grades K-5 including hands-on activities, led by community businesses and partners that center around the **Girl Scout in the Heart of PA's** 4 pillars. The **STEM Fair** event helped build awareness about opportunities available through GirlScouts and recruit new girls and their families.

Fellows were asked to create a **Volunteer Management System** for **Community Aid's** Neighbors Helping Neighbors program. This program supports local nonprofits through funding, education, and access to exclusive benefits Community Aid can offer in the Hanover, Mechanicsburg, and York areas.

Fellows provided guidance on multiple initiatives for the **Joseph Simpson Library** in downtown Mechanicsburg including creating a brand identity, expanding **DEI programming** and content, and connecting with the diverse community population in the areas the library serves.

Fellows helped the **US Army Carlisle Barracks**, one of our nation's oldest military installations, establish a purpose and funding for long-term preservation of the **War College Farmhouse** (a historical structure with Indian School ties) while allowing room to promote Tribal healing.

**Overall these projects saved the six nonprofits over \$28,000!**

Thank you to our Community Engagement Project Sponsor for this year:

## OUR FELLOWS AND JLC PROGRAMS ARE LOOKING FOR HOST LOCATIONS!

Our Fellows & Junior Leadership Programs are currently looking for Host Sponsors for our 2022-2023 class year! Would you consider hosting a class session one month at your organization or facility? If so contact our Executive Director, Nicole Deary, below for more information and details!

CONTACT NICOLE FOR MORE INFORMATION

**CARLISLE SUMMERFAIR 2022 RUNNING FROM JUNE 25 - JULY 3**  
Carlisle Summerfair offers tons of free family-friendly events in the Carlisle, PA region at the start of summer. Please note, there are several events that do charge a fee (fees are listed on our schedule), but for the most part, the majority of our activities are free for everyone. Event registration forms for the Summerfair 5K race, food vendors, craft vendors, and anything don't float [can be found here](#). A map of all our [activities can be found here](#). Please visit our other pages learn [more about Summerfair](#) or [see our sponsors](#). Finally to contact us, [please fill out this form](#) and one of our volunteers will get back to you shortly!

**NEW LIFESAVING PROGRAM COMES TO CUMBERLAND COUNTY**  
Did you know that every year in Cumberland County over 150 of our friends, children and neighbors are affected by Sudden Cardiac Arrest? Every minute that a person is in cardiac arrest their survival rate drops 7-10%. Immediate bystander intervention with an AED is required to meaningfully save lives. To change these startling statistics Cumberland County is proud to support a new initiative called the 4 Minute City. The [Peyton Walker Foundation](#) located in Camp Hill and the Emergency Health Services Federation are partnering with Avive Solutions new cutting-edge technology to place intelligent AEDs throughout the community with the goal of offering cardiac arrest victims access to lifesaving help within 4 minutes of 911 calls. This project will revolutionize Sudden Cardiac Arrest (SCA) care in Cumberland County. Most importantly, this program is working with the citizens of Cumberland County to create a culture of saving lives from cardiac arrest through free training and educational resources so everyone is prepared to save a life. And last, we are looking on distributing approximately 300 Avive AEDs in Cumberland County. We are working to our Cumberland County citizens to become AED hosts. Hosts will be trained on how to perform high quality hands-only CPR and how to use an AED. You can help save the life of someone in Cumberland County. To learn more about the program, become an AED host and take the digital training visit [4minutepa.org](http://4minutepa.org)
