HAVE YOU CONSIDERED BECOMING A BOARD INTERNSHIP SITE?

If you are a local nonprofit, have you considered becoming a board internship site for our upcoming class of Fellows? As part of our program participants are asked to stand on a community nonprofit board of their choosing. Leadership Cumberland Board Internships provide a unique chance for emerging leaders to serve as a non-voting ex-officio member on a nonprofit Board of Directors. The organizations that offer such partnerships and serve as “learning labs” for Leadership Cumberland Fellows are vitally important to the overall program and experience. The opportunity for Fellows to observe and integrate leadership and governance concepts is invaluable and truly appreciated by the Leadership Cumberland Board of Directors.

Click below to find out what Leadership Cumberland provides and what LC expects of the Nonprofit Board Internship Sites. If you're interested you can fill out the agreement right at the link below.
