OUR 2025 JLC CLASS MET FOR THE FIRST TIME!

Our 2025 JLC Class met for the first time for the year at Hampden Township Volunteer Fire Company in Mechanicsburg! They started off the day with an ice breaker activity run by one of the student groups followed by a presentation on Habit 1: Be Proactive by Coach Mike Greene of IntegrityWorks Coaching. Then they were able to take a tour of the station and learn about the services that the fire fighters provide.

Established in 1977, Carole Sammillan was the brain

formerly of The Sentinel. With high gas prices, he wanted something for the families in the area to do over the Fourth of July. Our board of directors is made up entirely of volunteers from throughout the greater Carlisle area. Some represent businesses while others serve as community volunteers. Our goal is to offer free, family-friendly events around the 4th of July holiday for the Carlisle area. We want our region's families to be able to relax and enjoy activities close to home. With the generous support of many of our great business sponsors, we are able to put on over 35 events each year over about a week-long period of time that include things like baby races, a kid's carnival, mini-golf tournament, concerts, the Harrisburg Symphony concerts, open swimming pool nights, fishing derby, musical, and many other events. There truly is something for everyone. Reach out to Jennifer Love with any interest and for more information at lovej@dickinson.edu
