U-TURN BENEFITS THE UNITED WAY OF CARLISLE & CUMBERLAND COUNTY
In its 18th year, it features tens of thousands of items donated by Dickinson College students and staff as well as dozens of vendors selling their wares. Dickinson students who are leaving campus for the year are encouraged to leave unwanted items in large collection bins at 25 locations around the campus. They can also leave unopened nonperishable food items. The event keeps an estimated 15 to 20 tons of items out of landfills each year. The items are sorted by a team of volunteers and are sold on the second Saturday in June each year at the Carlisle Fairgrounds, Building T. M&T Bank is the main sponsor, with support from Carlisle Events and, of course, Dickinson College.

Our simulations portray people interacting with housing agencies, financial institutions, schools, community health centers, and infrastructure providers. Our volunteers play a crucial role in the simulation by acting out the various institutions and groups participants will interact with during the simulation. Simulations will take place throughout our tri-county region of Cumberland, Dauphin, and Perry counties.
