

OUR FELLOWS FOUND PURPOSE & MEANING

Our Fellows class met for their December session yesterday at Highmark Caring Place in Camp Hill! They were able to hear a presentation to start the day on Purpose and Meaning. Steve Riccio of Dickinson College presented on Finding Purpose & Meaning. Then after lunch and the Ugly Sweater Contest (where there were many amazing submissions!), they heard from Jennifer Winternmyer with Tri County Community Action with a Poverty Simulation where fellows participated in several interactive exercises that explored topics such as belonging, unconscious bias, poverty, and generational understanding. To end the day they were able to take a tour of Highmark Caring Place and see how they are being a community resource for our area to grieving children and families.

We can't believe that the #LC2025 Fellows Class is already halfway through the program and we are looking forward to meeting again in 2025!

JLC STUDENTS PUT FIRST THINGS FIRST

Our Junior Leadership Class met at Carlisle Construction Materials for their last session of 2024! They started off with an ice breaker activity led by a group of the students and then Coach Mike Greene of Integrity Works Coaching presented on Habit 3: Putting First Things First.

Afterwards, different groups of students rotated through going on a Research & Development tour of the facility, hearing a college search presentation from Donovan Lindsay with College Knowledge Foundation, and a discussion about why community service is important. After lunch, they listened to a Career Panel discussion with members of the Carlisle Construction Team before finishing out their day.

The JLC class will be taking a break for the holidays in January and will be back to meeting on February 5th! See you in 2025!

Our 5th Annual Reindeer Games was a big success held on Thursday, December 12th! CARLISLE SUMMERFAIR – BOARD OPPORTUNITIES
Established in 1977, Carlisle Summerfair was the brain child of the late Wayne Powell, formerly of The Sentinel. With high gas prices, he wanted something for the families in the area to do over the Fourth of July. Our board of directors is made up entirely of volunteers from throughout the greater Carlisle area. Some represent businesses while others serve as community volunteers. Our goal is to offer free, family-friendly events around the 4th of July holiday for the Carlisle area. We want our region's families to be able to relax and enjoy activities close to home. With the generous support of many of our great business sponsors, we are able to put on over 35 events each year over about a week-long period of time that include things like baby races, a kid's carnival, mini-golf tournament, concerts, The Harrisburg Symphony concerts, open swimming pool nights, fishing derby, musical, and many other events. There truly is something for everyone. Reach out to Jennifer Love with any interest and for more information at lovej@dickinson.edu
