As the pandemic continues to shape the Central PA community, nonprofits will need to stay flexible to meet the needs of its employees and clients. During this webinar on Friday, October 1st from 8:00 - 9:30 AM, nonprofit leaders and community members can learn from the panel above about current CDC guidelines and recommendations for safety, what policies you can legally put in place for in-office and remote work, how to communicate COVID policies to employees and clients, and how to provide psychological safety for everyone.

This nonprofit training is open to the community and is made possible by the sponsorship from Partnership for Better Health.
