

Welcome To Our Fellows Class of 2022!

Earlier this month on September 16th & 17th the new class of Fellows met for the first time at The Diakon Wilderness Center and Camp Thompson! It was great to be able to get this new group together in person during their two day orientation to the program. During their time together they selected the organizations that they are interested completing their Board Fellowships with, were put into their Community Engagement Project groups, took part in a DISC assessment and worked on team building exercises such as the high tower. It was a wonderful start to relationships that will lead them all the way to becoming alumni at the end of the year!

Thank you to Heather Knisely '21 with Orrstown Bank for facilitating the DISC assessment with the Fellows. We are so grateful for our Alumni and how they volunteer their time to give back to the organization! #LCProud

Help Us Welcome Our New JLC Class of 2022!

On September 26, the new class of Junior Leadership Cumberland met for their opening retreat! They participated in team building exercises such as the high tower, ropes course and swing. They then worked on the development of their group norms including "keep an open mind, communication, and no such thing as a bad idea" while getting to know each other further. It was a great start to the year for these students and we are looking forward to our first official session with them on October 6th!
