

## Reunited...and it feels so good!

This month finally allowed both programs, Junior Leadership Cumberland and Leadership Cumberland Fellows, to meet safely in-person again. Everyone was so excited to gather together and see each other face to face, even if they were half covered by masks! This past year has been difficult as most sessions were virtual and these two groups had to learn to work together from afar. It has been a nice change of pace being able to meet in person and solidify the relationships that the group has worked hard on all year! Learn more about what they accomplished in their April Sessions below...

## Fellows Present Their Community Engagement Projects

At the April Session, the fellows met at Carlisle Comfort Suites and the group continued to present their Community Engagement Projects. Those presented were for Family Promise Harrisburg Capital Region, Marantha-Carlisle, and the New Cumberland Revitalization Project. They also learned from Community Leaders: Jamie Keener, Cumberland Area Economic Development Corporation; George Book, West Shore Chamber of Commerce; Michelle Crowley, Carlisle Area Chamber of Commerce; and Lucy Zander, United Way of Carlisle & Cumberland County during the "Vision for the County" Panel Discussion. They then completed a historical walking tour of Carlisle in the afternoon.

## Junior Leadership Students Final Class: Putting the Pieces Together

The class this month learned that leadership isn't done alone. Habit 6, Synergize, coupled with the True Colors Personality Test helped the students look at how their differences can be used to make them stronger. They visited Habit 7, Sharpen the Saw, where they learned about self-care and why that is important as a leader. The final session was wrapped up by the students planning their next 10-year vision boards and sharing them amongst the group. This was the last session for our Junior Leadership Class of 2021 as Graduation is taking place tomorrow, April 23rd. Make sure you join us on Facebook for our Live Stream of the Graduation at 8:00am to share your well wishes for these amazing students!

## LC Alumni Spotlight #LCProud

We're excited to be able to highlight our alumni who are looking to serve their community through elected leadership. What a thoughtful way to support their communities, perform a public service and show the leadership skills that they have learned through our Leadership Program!

In upcoming newsletters we're looking forward to including this alumni spotlight section and sharing what they have been up to! We encourage alumni to email Nicole Deary at [director@leadershipcumberland.org](mailto:director@leadershipcumberland.org) with a new position you are holding, a nonprofit you are directly supporting, or any other newsworthy item. We are so proud of our fellows!
