

OUR FELLOWS WORKED ON COMMUNITY BUILDING

Our Fellows met at Members 1st Federal Credit Union Headquarters for their March Session. First a group of the fellows presented on Community Building, where they learned to understand the stages of community and the impact of leadership on a thriving community. Then they heard from two of our alum from Someone To Tell It To, Angela Dickinson '24 and Tom Kaden '23 on Compassionate Listening. This part of the session emphasized the leadership trait of community building by showing genuine concern for others through compassionate listening.

After lunch, the group did a team building exercise and then listened to a panel discuss the nuances of community need and the "Growth of the County" moderated by Jason Maddux '15 with the United Way of Carlisle & Cumberland County. The panel included: Michael Gogoj - Assistant Superintendent at the Carlisle Area School District, Mary Kuna - Executive Director of the Cumberland County Housing and Redevelopment Authorities, Hillary Lyle - Director of Strategic Initiatives at SCPa Works, and Kirk Stoner - Planning Director for Cumberland County, PA. To finish out the day, Cate Mellen, CFRE '20 of the United Way of Carlisle & Cumberland County presented on the do's and don'ts of Nonprofit Fundraising.

Thank you to all the presenters, panelists, and our host location for making this day possible!

JLC STUDENTS LEARNED ABOUT LISTENING

Our JLC class of students held their March Session at Volvo CE in Shippensburg on March 5th! It started out with an icebreaker activity presented by a group of the students before Coach Mike Greene of IntegrityWorks Coaching presented on Habit 5: Understand then be Understood. This habit involves listening before speaking, and it can help build strong relationships and avoid conflict.

Before lunch, the students were welcomed by Volvo and went on a tour of the customer center. Then, they heard from Volvo employees on a Career Exploration Panel where they talked about different areas of a global company in a local location.

To end the day, the students discussed Gratitude with Stacey Clark and then worked on their service project, which will be completed at their April class session. We can't believe the next session will be the last for the Class of 2025!

Learn more here and fill out a membership application. https://www.carlislepa.org/.../fire_department/index.php

CARLISLE SUMMERFAIR - BOARD OPPORTUNITIES
Established in 1977, Carlisle Summerfair was the brain child of the late Wayne Powell, formerly of The Sentinel. With high gas prices, he wanted something for the families in the area to do over the Fourth of July. Our board of directors is made up entirely of volunteers from throughout the greater Carlisle area. Some represent businesses while others serve as community volunteers. Our goal is to offer free, family-friendly events around the 4th of July holiday for the Carlisle area. We want our region's families to be able to relax and enjoy activities close to home. With the generous support of many of our great business sponsors, we are able to put on over 35 events each year over about a week-long period of time that include things like baby races, a kid's carnival, mini-golf tournament, concerts, the Harrisburg Symphony concerts, open swimming pool nights, fishing derby, musical, and many other events. There truly is something for everyone. Reach out to Jennifer Love with any interest and for more information at lovej@dickinson.edu

The Peyton Walker Foundation, established to combat the prevalence of Sudden Cardiac Arrest (SCA), is looking to expand its Board of Directors by adding a Secretary. Since our inception, we've been dedicated to checking hearts, protecting hearts, and saving lives through heart screening programs, education, getting AEDs in the community, training CPR/AED, and advocacy. Our meetings are held quarterly in person in Enola for approximately two hours, with further coordination via email or quick online meetings. The ideal candidate should be deeply committed to our cause, skilled in taking notes, and familiar with Robert's Rules of Order. TRI COUNTY COMMUNITY ACTION (TCCA) - 13th ANNUAL GREAT HARRISBURG LITTER CLEANUP
The **Great Harrisburg Litter Cleanup** is brought to you by Tri County Community Action, an affiliate organization for Keep Harrisburg Beautiful. Our goal is to come together as a community to make Harrisburg a cleaner and safer place to live, work, and play on Saturday, April 26th. We believe effective and sustainable change starts and ends with the involvement of the entire community, which is why we need your help. Last year, we hosted over 400 volunteers who deposited more than 4.9 tons of trash, including 600 tires. This year, we hope to expand our footprint! This is a great individual or group volunteer opportunity! GHLC T-shirts will once again be available to volunteers until supplies last! Multiple volunteer positions are available at cleanup locations in Allison Hill, Midtown, and Uptown! Get involved by visiting www.cactricounty.org/ghlc.

TRI COUNTY COMMUNITY ACTION (TCCA) - Poverty Simulation Volunteers Needed
Join us for a Poverty Simulation on April 4th at New Life Community Church - 64 E North St, Carlisle. A Poverty Simulation is a true-to-life role-playing experience for groups and organizations to experience first-hand the challenges, decisions, and life of someone in poverty. Poverty Simulations are thought-provoking and lead to powerful conversations, and they help us all realize that it takes a community to end poverty. Volunteers play a critical role during the Simulation, role-playing as community resources (such as housing agencies, schools, health centers, employers, grocery stores, etc.).
