Leadership Competencies: Strengths Finder and Mindfulness

During our February session, our Fellows explored the Clifton Strengths Assessment with Leadership Cumberland's (awesome!) Director, Nicole Deary. This helped the Fellows better understand who they are and how they can be their best. During this session, the Fellows also learned about Ethical Leadership from Kristopher Cravey, Ph.D., Messiah University. Dr. Cravey focused on an understanding of how decisions are shaped by legal boundaries as well as professional guidelines and moral stances.

Thanks for sharing your knowledge with our Fellows, Nicole & Kristopher!

Junior Leadership Cumberland February Class Day

The topic of the day during this month's Junior Leadership February class day was Covey's Habit #4 Win-Win. The students learned about a variety of medical careers from employees and our program sponsor, [UPMC Pinnacle](#).

Thanks to those who took time out of their day to help our future leaders grow!
