WEDNESDAY, NOVEMBER 30 | 11:30 AM - 1:30 PM | CARLISLE COMFORT SUITES

All people should have access to the same quality, equitable care, no matter where they live. The UPMC Street Feet Program covers Dauphin, Cumberland, and Perry counties, and was formed in March of 2021. It's a program that delivers foot care to people experiencing homelessness in the setting where they feel most comfortable – in shelters, encampments, soup kitchens, under bridges, and in the woods. This program is built on community partnerships and trust between homeless individuals and health care teams.

Join us as we honor Laura Lacroix, Shawna Saunders, and Denise Ackroyd of the UPMC Street Feet Program for their dedication and impact on homelessness in the Central PA region and our community.

We will be collecting new socks to support the Street Feet Program at registration, please bring your donations with you to the event!

### CARLISLE KIWANIS - REBUILDING FORT LETORT IN CARLISLE

The Carlisle Kiwanis Club "celebrated" its one-hundred-year anniversary in 2020, but due to the COVID-19 pandemic they were unable to complete a project to commemorate this important milestone. They feel there is no better way to celebrate our 100th anniversary than to give back to our community in a meaningful and impactful way – rebuilding the playground at LeTort Park in Carlisle. The original and existing playground structure was built in 1993 as a community build project and was lovingly named Fort LeTort. After 29 years of use, the playground has begun to show its age. Working closely with the Parks & Rec Department it has been decided that several state-of-the-art improvements need to be made to Fort Letort to make it safer and more accessible for the children of the community. It will be necessary to raise \$750,000 to replace the playground at LeTort Park. Please contact club president Michael Cornfield to learn more about memorializing your contribution at [Michael.Cornfield@gmail.com](mailto:Michael.Cornfield@gmail.com) or (717) 249-1384. ### TRI COUNTY COMMUNITY ACTION (TCCA) - KATHY POSSINGER 8K

In October 2021, TCCA lost a community leader and dear friend, Kathy Possinger. Kathy served as Executive Director from 2010 to 2015. She led the agency through a significant transition and placed it on a path for growth. Even after leaving, she remained connected and continued to be a champion for TCCA. Kathy's commitment goes beyond her work life, and anyone who was lucky enough to have known her knew the words "Helping People and Changing Lives" were not a tagline for Kathy – they were the way she lived every moment of her life. We continue to honor Kathy's legacy by holding an 8K in her name. Funds raised through this event will go toward building strong families and thriving communities in Cumberland, Dauphin, and Perry Counties.
